Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. May we request from Engineering and/or Dam Safety the latest Dam Safety Inspection Report for the Spencer Lake Dams (North Dam File No. 1020-001 and South Dam File No. 1020-030)?
 - a. The inspection report is not necessary for the preparation of a Statement of Qualifications. Relevant reports and other technical information will be provided to short listed firms as necessary.
2. Please send digital copy of Spencer lake latest inspection reports. I would like to review the deficiencies and site photos from that report.
 - a. The inspection report is not necessary for the preparation of a Statement of Qualifications. Relevant reports and other technical information will be provided to short listed firms as necessary.
3. Our firm is experiencing difficulties with compiling and submitting electronic files via email.

In lieu of submitting electronic files via email to Julie Endicott at the email address provided, may we submit hard copies of the Statements of Qualifications (Form F110-330) with a CD or USB electronic copy as backup in person at ODNR Headquarters by the submittal deadline?

If so, how many hard copies of the Statements of Qualifications are required?

- a. Yes, in lieu of submitting electronic files via email, (2) USB or CD copies may be submitted to the to the Fountain Square gatehouse at 2045 Morse Road, Columbus Ohio 43202 Attn: Jacob Bench (Division of Engineering). If submitted in person, please send a notification of delivery to Julie Endicott at engineering@dnr.state.oh.us.

Questions will continue to be accepted through June 26th, with answers to be provided by June 29th.
