

# Request for Qualifications (Architect / Engineer)

## State of Ohio Standard Forms and Documents

---

**Administration of Project:** Ohio Facilities Construction Commission

Project Name	<u>AOCI OCF Window Replacement</u>	Response Deadline	<u>11/16/2018</u>	<u>12:00 PM</u> local time
Project Location	<u>2338 North West Street</u>	Project Number	<u>DRC-19F059</u>	
City / County	<u>Lima / Allen</u>	Project Manager	<u>Keith Doll</u>	
Owner	<u>Dept. of Rehabilitation and Correction</u>	Contracting Authority	<u>OFCC</u>	
Delivery Method	<u>General Contracting</u>	Prevailing Wages	<u>State</u>	
No. of paper copies requested (stapled, not bound)	<u>0</u>	No. of electronic copies requested (PDF)	<u>1</u>	

Submit the requested number of Statements of Qualifications (Form F110-330) directly to Jill Hoobler at [Procurement@ofcc.ohio.gov](mailto:Procurement@ofcc.ohio.gov). See Section J of this RFQ for additional submittal instructions.

Submit all questions regarding this RFQ in writing to Jill Hoobler at [Procurement@ofcc.ohio.gov](mailto:Procurement@ofcc.ohio.gov) with the project number included in the subject line (no phone calls please). Questions will be answered and posted to the Opportunities page on the OFCC website at <http://ofcc.ohio.gov> on a regular basis until one week before the response deadline. The name of the party submitting a question will not be included on the Q&A document.

---

### Project Overview

#### A. Project Description

Allen Oakwood Correctional Institute (AOCI) is a correctional facility constructed in the 1950s and operated by the Ohio Department of Rehabilitation and Correction (ODRC) located at 2338 North West Street in Lima, Ohio 45801. Within AOCI, there exist two separate facilities; Oakwood Correctional Facility (OCF) and Allen Correctional Facility (ACF).

Oakwood Correctional Facility (OCF) project scope consists of the replacement of approximately 408 windows within one building. The work will improve energy use in the facility and maintain safety and security. The OCF facility has a variety of window types and sizes. Windows will be replaced following the facility's priority list in a planned sequence to minimize impact on the operations and building occupants. Security will need to be maintained where there are security bars and the structural integrity of the window opening lintels and related framing will be maintained throughout the window replacement. Building envelope integrity repairs may be included such as flashing, tuckpointing, sealant replacement, control joint repair, and displaced brick repair/replacement as determined necessary in the A/E's investigation.

Allen Correctional Facility (ACF) project scope consists of the replacement of approximately 500 windows within five separate buildings. The work will improve energy use in the facility and maintain safety and security. The ACF facility has a variety of window types and sizes. Windows will be replaced following the facility's priority list in a planned sequence to minimize impact on the operations and building occupants. The structural integrity of the window opening lintels and related framing will be maintained throughout the window replacement.

The development of a complete Program of Requirements (POR) will also be included as part of the Professional Design as an Additional Service. The development of the POR will include a comprehensive survey/field investigation of the existing windows and security component in the affected buildings. The project scope will be evaluated, prioritized and defined to align with the project budget. Evaluation of the project construction schedule will also be a part of the POR stage. OCF window replacement is ODRC's first priority and depending on project budget, all or part of ACF window replacement may be included.

State Prevailing Wage requirements apply to this project.

#### B. Scope of Services

The selected A/E, as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner and/or the Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement.

As required by the Agreement, and as properly authorized, provide the following categories of services: Program Verification, Schematic Design, Design Development, Construction Document Preparation, Bid and Award Support, Conformed Documents, Construction Administration, Post-Construction, and Additional Services of all types.

# Request for Qualifications (Architect / Engineer)

## State of Ohio Standard Forms and Documents

Refer to the *Ohio Facilities Construction Manual* for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

During the construction period, provide not less than 6 hours (excluding travel time) on-site construction administration services each week, including (1) attendance at progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the A/E and its consultant staff involved in the primary design of the project, all having relevant and appropriate types of construction administration experience.

Please list all major scope services needed to complete the selection process for successful project delivery. The specific scope of services must state particular building types, functional design or specialized professional services required to evaluate the level of experience of each applicant firm (e.g. parking garage, kitchen design, correctional facility, medical facility). The scope of services should also define the types of basic and additional professional design and administration services necessary for the project (e.g. LEED credentials and experience, previous experience with local jurisdiction or similar sites, previous experience working with the State of Ohio, Building Information Modeling ("BIM") experience and training, specific BIM and Owner-defined requirements, level of development to be achieved within BIM models, BIM deliverables, and Owner's intended use of BIM models after construction). This information will be used by each applicant to populate the Relevant Project Experience Matrix in Section F of Form F110-330.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. Project Delivery Method (MP, GC, CMR, DB)
2. Role on Project (CMA, OA, CMR, DB, GC, Trade)
3. Experience in developing a Project specific Program of Requirements
4. Experience with design of security grade windows
5. Experience with design of tuckpointing and lintel replacement
6. Experience managing projects in a correctional institution environment
7. Experience with construction management in a controlled environment and occupied facility
8. Familiarity with the State of Ohio Management System (OAKS CI)
9. Experience working for the State of Ohio/ODRC

### C. Estimated Budget / Funding

State Funding: \$3,991,250  
 Other Funding: \$0  
 Construction Cost: \$3,251,173  
 Total Project Cost: \$3,991,250

### D. Anticipated Schedule

Professional Services Start: 04 / 19  
 Construction Notice to Proceed: 02 / 20  
 Substantial Completion of all Work: 02 / 21  
 Professional Services Completed: 06 / 21

### E. Estimated Basic Fee Range (see note below)

6.5% to 7.5%

### F. EDGE Participation Goal

Percent of initial Total A/E Fee: 5.0%

NOTE: **Basic Services** include: (1) Program Verification, (2) Schematic Design, (3) Design Development, (4) Construction Documents, (5) Bidding and Award OR GMP Proposal and Amendment (as applicable), (6) Construction Administration, and (7) Closeout services. The **Basic Fee** includes all professional design services and consultant services necessary for proper completion of the Basic Services, including validation of existing conditions (but not subsurface or hidden conditions) and preparation of cost estimates and design schedules for the project. The **Estimated Basic Fee Range** is calculated as a percentage of the **Estimated Budget for Construction Cost** above, including the Owner's contingency. **The Basic Fee excludes any Additional Services required for the project.**

### G. Basic Service Providers Required (see note below)

Lead A/E Discipline: Architecture  
 Secondary Structural Engineering  
 Disciplines: \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

### H. Additional Service Providers Required

Program of Requirements  
Environmental Analysis  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

## Request for Qualifications (Architect / Engineer) continued

---

_____	_____
_____	_____
_____	_____

NOTE: The lead A/E shall be (1) an architect registered pursuant to ORC Chapter 4703, (2) a landscape architect registered pursuant to ORC Chapter 4703, or a (3) professional engineer or (4) professional surveyor licensed pursuant to ORC Chapter 4733.

### I. Evaluation Criteria for Selection

- Demonstrated ability to meet Owner's programmed project vision, scope, budget, and schedule on previous projects.
- Previous experience compatible with the proposed project (e.g., type, size).
- Relevant past work of prospective firm's proposed consultants.
- Past performance of prospective firm and its proposed consultants.
- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Specification writing credentials and experience.
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

### J. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer. Also, please insert the project number and firm name followed by "SOQ" in the email subject line.

**Statements of Qualifications must be submitted electronically by email. Submittals are limited to one email with a maximum file size of 25 MB.**

Firms are requested to identify professional registrations, memberships and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.

# Architect / Engineer Selection Rating Form

## State of Ohio Standard Forms and Documents

Project Name AOCI OCF Window Replacement Proposer Firm \_\_\_\_\_  
 Project Number DRC-19F059 City, State, Zip \_\_\_\_\_

Selection Criteria		Value	Score
<b>1. Primary Firm Location, Workload and Size (Maximum 10 points)</b>			
a. Proximity of firm to project site	Less than 100 miles	5	
	100 miles to 150 miles	2	
	More than 150 miles	0	
b. Amount of fees awarded by Contracting Authority in previous 24 months	Less than \$200,000	2	
	\$200,000 to \$500,000	1	
	More than \$500,000	0	
c. Number of licensed professionals	Less than 5 professionals	1	Max = 3
	5 to 10 professionals	3	
	More than 10 professionals	2	
<b>2. Primary Firm Qualifications (Maximum 30 points)</b>			
a. Project management lead	Experience / ability of project manager to manage scope / budget / schedule / quality	0 - 10	Max = 20
b. Project design lead	Experience / creativity of project designer to achieve owner's vision and requirements	0 - 5	
c. Technical staff	Experience / ability of technical staff to create fully coordinated construction documents	0 - 5	
d. Construction administration staff	Experience / ability of field representative to identify and solve issues during construction	0 - 10	
<b>3. Key Consultant Qualifications (Maximum 20 points)</b>			
a. Key discipline leads	Experience / ability of key consultants to perform effectively and collaboratively	0 - 15	
b. Proposed EDGE-certified Consultant participation*	One point for every 2 percent increase in professional services over the EDGE participation goal	0 - 5	
<b>4. Overall Team Qualifications (Maximum 10 points)</b>			
a. Previous team collaboration	Less than 4 sample projects	1	Max = 3
	4 to 6 sample projects	2	
	More than 6 sample projects	3	
b. LEED** Registered / Certified project experience	Registered projects	1	Max = 2
	Certified projects	2	
c. BIM project experience	Training and knowledge	1	Max = 3
	Direct project experience	3	
d. Team organization	Clarity of responsibility / communication demonstrated by table of organization	0 - 2	
<b>5. Overall Team Experience (Maximum 30 points)</b>			
a. Previous team performance	Past performance as indicated by evaluations and letters of reference	0 - 10	
b. Experience with similar projects / delivery methods	Less than 4 projects	0 - 3	
	4 to 6 projects	4 - 6	
	More than 6 projects	7 - 10	
c. Budget and schedule management	Performance in completing projects within original construction budget and schedule	0 - 5	
d. Knowledge of Ohio Capital Improvements process	Less than 4 projects	0 - 1	
	4 to 6 projects	2 - 3	
	More than 6 projects	4 - 5	
		<b>Subtotal</b>	

\* Must be comprised of professional design services consulting firm(s) and NOT the lead firm  
 \*\* Leadership in Energy & Environmental Design administered by the Green Building Certification Institute
