Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. For the driveway portion of the project the RFQ mentions that there are preliminary renderings for the project that was done in 2018 for the Student Center. Is it possible to obtain a copy of those renderings to see the extent of the work?
  - A. Yes, See Attached: Q1. Proposed Rendering
2. The RFQ states that the project needs to be led by a security and safety consultant. Will the scope of services for the safety and security portion of the project be to assess the current campus and make recommendations to overall improvements and programs that need to be put in place or the actual design of the systems that they recommended?
3.
  - A. The actual design of the systems that the college recommended.
