

RFQ Question and Answer List

State of Ohio Standard Forms and Documents

Project Name 2019-2020 Basic Renovation Project Number OHU-02019
Project Location Ohio University

Date posted: 3.4.2019

Date Updated: 3.7.2019

Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. Can you tell me if there is a construction estimate, cost or budget for the OHU-02019, 2019-2020 Basic Renovation project?
 - A. The intent of this RFQ is to have an available list of A/E consultants available for multiple projects during the 2020/2021 fiscal year. The projects will be all sizes and scopes and that will be determined as each project is developed.
2. Since the requested SOQ is not project specific, is a listing of sub consultants and EDGE participating firms to be submitted with this SOQ? Page 3 of the RFQ states we are not to submit a list of sub consultants and EDGE firms, but also states that we are to identify EDGE-certified Business Enterprises, by name, that will participate.
 - A. As discussed in question/answer #1, the projects for the upcoming fiscal year will be various in size and scope. At this time there is now need to provide information on the EDGE sub consultants. If a project is of a size and scope that an EDGE sub consultant is necessary it can be determined and added at that time.
3. Can an engineering firm submit as a lead consultant on the 2019 – 2020 Basic Renovation proposal?
 - A. Yes, there is a good chance that the lead consultant could be an engineer or landscape or graphic etc. as depending on the scope of the project.
4. For our firm to get on the Ohio Basic Renovations list, which Part of the Statement of Qualifications need to be submitted, Part 1 or Part 2?
 - A. You must fill out the entire Statement of Qualifications to be considered.
