

Request for Qualifications (Commissioning Agent)

State of Ohio Standard Forms and Documents

Administration of Project: Local Higher Education

Project Name	<u>Ty Tucker Tennis Center</u>	Response Deadline	<u>April 19, 2019</u>	<u>2:00 p.m.</u>	local time
Project Location	<u>The Ohio State University Main Campus</u>	Project Number	<u>OSU-190076</u>		
City / County	<u>Columbus / Franklin</u>	Project Manager	<u>Gary Collier</u>		
Owner	<u>The Ohio State University</u>	Contracting Authority	<u>Local Higher Education</u>		
Delivery Method	<u>CM at Risk</u>	Prevailing Wages	<u>State</u>		
No. of paper copies requested (stapled, not bound)	<u>0</u>	No. of electronic copies requested on CD (PDF)	<u>1</u>		

Submit the Statements of Qualifications (Form F110-330) via email to 330Submittals@osu.edu. In the subject line, include the project number and name for the RFQ you are responding to. See Section H of this RFQ for additional submittal instructions.

Submit all questions regarding this RFQ in writing to Gary Collier at collier.26@osu.edu with the project number included in the subject line (no phone calls please). Questions will be answered and posted to the Opportunities page on the OFCC website at <http://ofcc.ohio.gov> on a regular basis until one week before the response deadline. The name of the party submitting a question will not be included on the Q&A document.

Project Overview

A. Project Description

The scope of the project is to design and construct a new Indoor Tennis Center, which will be located in the Athletic District, north of the Woody Hayes Athletic Center. The Tennis Center will have 6 total courts, seating for 500 spectators, concession area and restrooms. The new facility would also include team locker rooms, lounges, training facilities, team offices and a hospitality suite. Typical back of house spaces such as storage, maintenance, mechanicals, etc. are also required.

This project is required to be constructed and delivered within a collaborative BIM-enabled environment following The Ohio State University BIM Project Delivery Standards.

This project is required to deliver asset tagging within a collaborative BIM-enabled environment. The Primary firm submitting for the project will be required to have the expertise capable of meeting this requirement, and is responsible to support their subcontractors to meet this requirement. The Asset Tagging Workflow and the OSU PDS Tools can be accessed via the OSU FOD website (<https://fod.osu.edu/resources>) under Design Guidelines, Specifications, Standards; Specifications and Standards; Building Information Modeling (BIM).

B. Scope of Services

The objective of commissioning is to provide documented confirmation that a facility fulfills the functional and performance requirements of the building owner, including but not limited to fundamentals contained within Climate Action Plan, Energy & Infrastructure Plan, Green Build and Energy Policy 3.10, and Integrated Energy & Environmental Implementation Strategies, sustainable practices of the University, LEED Commissioning Requirements, occupants and operators. To reach this goal it is necessary for the commissioning process to develop and document the owner's criteria for system function, performance, and maintainability, as well as, to verify document compliance with these criteria throughout design, construction, start-up, initial operation and seasonal operation. In addition, complete electronic operation and maintenance (O&M) manuals, as well as training on system operations should be provided to the building operators to ensure the building continues to operate as intended. The Commissioning Agent (CxA) will develop the Owner's Programming of Requirements (OPR).

The CxA will be involved from construction design phase through warranty phase. The CxA will be responsible for reviewing and thoroughly documenting the Owner's Requirements and Basis of Design through reviews and have interaction with the Project Engineer, University Architect, University Engineer, Athletics and Facilities Operations and Development. The primary role of the CxA during the overall design phase is to develop detailed commissioning specifications, and to review design to ensure it meets the Owner's objectives as well as LEED certification requirements. During construction, the CxA coordinates the execution of a testing plan, which includes observing and documenting all systems' performance to ensure that systems are functioning in accordance with the Owner's objectives and the contract documents. The CxA is not responsible for design or general construction scheduling, cost estimating, or construction

Request for Qualifications (Commissioning Agent) continued

attached to the CxA's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

The **EDGE Participation Statement of Intent to Contract and Perform** from Section H. Additional Information must also be submitted. Please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

PDF file: Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer.

Firms are requested to identify professional registrations, memberships, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.

Commissioning Agent Selection Rating Form

State of Ohio Standard Forms and Documents

Project Name Ty Tucker Tennis Center Proposer Firm _____
 Project Number OSU-190076 City, State, Zip _____

Selection Criteria		Value	Score
1. Primary Firm Location, Workload and Size (Maximum 10 points)			
a. Proximity of firm to project site	Less than 50 miles	5	
	50 miles to 100 miles	2	
	More than 100 miles	0	
b. Amount of fees awarded by Contracting Authority in previous 24 months	Less than \$200,000	2	
	\$200,000 to \$1,000,000	1	
	More than \$1,000,000	0	
c. Number of relevant professionals	Less than 2 professionals	1	Max = 3
	2 to 8 professionals	3	
	More than 8 professionals	2	
2. Primary Qualifications (Maximum 30 points)			
a. Project management lead	Experience / ability of project manager to manage scope / budget / schedule / quality	0 - 10	Max = 20
b. Project administration lead	Experience / ability to effectively administer project controls and processes	0 - 10	
c. Technical staff	Experience / ability of technical staff to verify fully coordinated construction documents	0 - 5	
d. Construction administration staff	Experience / ability of field representative to identify and solve issues during construction	0 - 5	
3. Key Consultant Qualifications (Maximum 20 points)			
a. Key discipline leads	Experience / ability of key consultants to perform effectively and collaboratively	0 - 15	
b. Proposed EDGE-certified Consultant participation*	One additional point for every 2 percent increase in professional services over the advertised EDGE participation goal	0 - 5	
4. Overall Team Qualifications (Maximum 10 points)			
a. Previous team collaboration	Less than 2 sample projects	0	
	2 to 4 sample projects	2	
	More than 4 sample projects	5	
b. Team organization	Clarity of responsibility / communication demonstrated by table of organization	0 - 5	
5. Overall Team Experience (Maximum 30 points)			
a. Previous team performance	Past performance as indicated by evaluations and letters of reference	0 - 10	
b. Experience with similar projects / delivery methods	Less than 3 projects	0 - 3	
	3 to 6 projects	4 - 6	
	More than 6 projects	7 - 10	
c. Budget and schedule management	Performance in completing projects within original construction budget and schedule	0 - 5	
d. Knowledge of Ohio Capital Improvements process	Less than 3 projects	0 - 1	
	3 to 6 projects	2 - 3	
	More than 6 projects	4 - 5	
* Must be comprised of professional design services consulting firm(s) and NOT the primary firm ** Leadership in Energy & Environmental Design administered by the Green Building Certification Institute		Subtotal
